

ASHISH SHUBHAM

Engineering Leader

+1 (650) 557 6302 @ ashubham@gmail.com linkedin.com/in/ashubham Santa Clara, CA

SUMMARY

Engineering executive and UX engineer who scaled ThoughtSpot from stealth to **\$150 M+ ARR**. I blend deep front-end craft with product instinct and people-centric leadership to ship industry-leading AI analytics platforms, file multiple AI patents.

I like to run the show business.

EXPERIENCE

 **Fellow / Vice President Engineering**
ThoughtSpot 📅 06/2015 - Present 📍 Mountain View, USA
🔗 <https://thoughtspot.com>

AI powered Bussiness Intelligence and Analytics

- Defined the company's AI-agent architecture, establishing core AI-Human interaction foundations, and standards.
- Found and scaled the Embeddable AI product suite — Visually embed AI analytics into any application — into a **\$70M+** ARR business.
- Drove end-to-end UX excellence, translating user research and iteration into pixel-perfect, high-density workflows.

 **Developer**
Open Source 📅 2011 - Present
🔗 github.com/ashubham

- Creator and contributor to popular open source projects.

 **Senior Software Engineer**
GoDaddy 📅 10/2013 - 05/2015 📍 Sunnyvale, CA
Engineered core UI features, and infrastructure for the Website Builder powering **millions of SMB sites worldwide**.

 **Research Software Engineer**
Nokia Research 📅 07/2011 - 09/2013

- Maps and Hyperlocal Research group

 **Research Intern**
Microsoft Research 📅 2009 📍 Redmond, WA

- **Human Computer Interaction** Research Group.

AREAS OF EXPERTISE

- A Agentic AI Systems
- B Frontend/UX Architecture
- C Efficient data analytics
- D Managing & Mentoring People

AWARDS

 **BuiltIn Tech Innovator Award 2021**
Honored as one of 50 barrier-breakers and future-thinkers across the U.S. by BuiltIn's inaugural [technologist awards](#).

BOOKS

Architecting AI Data Systems
IndiePress
📅 2025 🔗 [Amazon](#)

PATENTS

-  **Conversational database analysis**
[US Patent](#), 2024
-  **Natural language question answering systems**
[US Patent](#), 2021
-  **Intelligent Search Modification Guidance**
[US Patent](#), 2021

EDUCATION

BS / MS in Computer Science & Engineering
Indian Institute of Technology, Kharagpur
📅 2006 - 2011 📍 India

REVIEWER / COMMITTEE

- ACM Human factors in computing(CHI) 26
- ACM Human Robot Interaction(HRI) 26
- ACM Web Search & Data Mining(WSDM) 26
- IEEE Southeast Con 2026
- IEEE ARITH 2026
- IEEE Intelligent Vehicles 2026
- IEEE FISTS 2026
- IEEE ICBDA 2026
- IEEE ICARA 2026
- BIG Awards for Bussiness 2025

ACTIVITIES

-  IEEE Senior Member
-  Snowboarding, Surfing
